**Product Category:** Notebooks and Tablet PCs

## Marketing Name / Model
[List multiple models if applicable.]

HP Pavilion 15 Laptop PC / Felicette / G7HA, G7HB

**Purpose:** The document is intended for use by end-of-life recyclers or treatment facilities. It provides the basic instructions for the disassembly of HPI products to remove components and materials requiring selective treatment, as defined by EU directive 2012/19/EC, Waste Electrical and Electronic Equipment (WEEE).

NOTE: Recyclers should sort plastic materials into resin streams for recycling based on the ISO 11469 plastic marking code on the plastic part. For any questions on plastic marking, please contact HP's Sustainability Contact.
