13936 Version #: 04 Issue date: 08-Aug-2018 Revision date: 02-Jul-2020

Product name: CB387A Toner

SAFETY DATA SHEET

1. Identification

*** This Safety Data Sheet is only authorised for use by HP for HP Original products. Any Important information

unauthorised use of this Safety Data Sheet is strictly prohibited and may result in legal action

being taken by HP. ***

Name of the substance or mixture (trade name)

HP Color LaserJet CB387A Toner Imaging Drum Cartridge

Major recommended uses for the substance or mixture

This product is a magenta toner preparation that is used in HP Color LaserJet CP6015, CM6030

MFP, and CM6040 MFP series printers.

Specific restrictions for use of

the substance or mixture

Not available.

2. Hazards identification

Classification of the substance or mixture

Physical hazards Not classified. Not classified. **Health hazards Environmental hazards** Not classified.

GHS labeling elements, including precautionary statements

Hazard symbol(s) None. Signal word None.

Hazard statement(s) Not available.

Precautionary statement(s)

Prevention Not available. Not available. Response Not available. Storage Disposal Not available.

Other hazards which do not result in classification

None of the other ingredients in this preparation are classified as carcinogens according to

ACGIH, EU, IARC, MAK, NTP or OSHA.

Supplemental information None.

3. Composition/information on ingredients

Mixture

Common chemical name or technical name CAS number Concentration or concentration range

Styrene acrylate copolymer

4. First-aid measures

Product name: CB387A Toner

First-aid measures

Inhalation Move person to fresh air immediately. If irritation persists, consult a physician.

Skin contact Wash affected areas thoroughly with mild soap and water. Get medical attention if irritation

develops or persists.

Do not rub eyes. Immediately flush with large amounts of clean, warm water (low pressure) for at Eye contact

least 15 minutes or until particles are removed. If irritation persists, consult a physician.

Ingestion Rinse mouth out with water. Drink one to two glasses of water. If symptoms occur, consult a

> physician. Not available.

Most important

symptoms/effects, acute and

delayed

Not available. Notes to physician

5. Fire-fighting measures

Means of fire extinguishing

Suitable extinguishing

media

CO2, water, or dry chemical

Unsuitable extinguishing

None known.

Specific hazards arising from

the chemical

Like most organic material in powder form, toner can form explosive dust-air mixtures when finely

dispersed in air.

Special fire fighting

procedures

If fire occurs in the printer, treat as an electrical fire.

Protective measures taken by

firefighting crews

Not available.

Specific methods

None established.

6. Control measures for spills and leaks

Personal precautions, protective equipment and emergency procedures

To be taken by those who are not involved in rendering emergency

services

Minimize dust generation and accumulation.

To be taken by those who are involved in rendering

Not available

emergency services **Environmental precautions**

Do not flush into surface water or sanitary sewer system. See also section 13 Disposal

considerations.

Methods and materials for containment and cleaning up

Slowly vacuum or sweep the material into a bag or other sealed container. Clean remainder with a damp cloth or vacuum cleaner. If a vacuum is used, the motor must be rated as dust

explosion-proof. Fine powder can form explosive dust-air mixtures. Dispose of in compliance with federal, state, and local regulations.

7. Handling and storage

Precautions for safe handling

Keep out of the reach of children. Avoid inhalation of dust and contact with skin and eyes. Use with

adequate ventilation. Keep away from excessive heat, sparks, and open flames.

Conditions for safe storage. including any incompatibilities

Keep out of the reach of children. Keep tightly closed and dry. Store at room temperature. Store away from strong oxidizers.

8. Exposure controls/personal protection

Control parameters

Occupational exposure limits No exposure limits noted for ingredient(s).

3/6

13936 Version #: 04 Issue date: 08-Aug-2018 Revision date: 02-Jul-2020

Biological limit values

No biological exposure limits noted for the ingredient(s).

Exposure guidelines

, 5 mg/m3 (Respirable Fraction)

, 3 mg/m3 (Respirable Particulate)

Amorphous silica: USA OSHA (TWA/PEL): 20 mppcf 80 (mg/m3)/%SiO2, ACGIH (TWA/TLV): 10

mg/m3

TRGS 900 (Luftgrenzwert) - 10 mg/m3 (Einatembare partikel), 3 mg/m3 (Alveolengängige fraktion)

Appropriate engineering

controls

Use in a well ventilated area.

Personal protective measures

Eyes and face protection

Not available.

Skin protection

Not available. **Hand protection** Not available. Other Not available. Respiratory protection Thermal hazards Not available.

9. Physical and chemical properties

Fine powder **Appearance**

Solid. **Physical state Form** solid Color Magenta

Slight plastic odor Odor **Odor threshold** Not available. Not applicable На Not available. Melting point/freezing point Initial boiling point and boiling Not applicable

temperature range

Flash point Not applicable **Evaporation rate** Not applicable Not available. Flammability (solid, gas) Upper/lower flammability or explosive limits

Flammability limit - lower

Not flammable

10. Stability and reactivity

Reactivity Not available.

Chemical stability Stable under normal storage conditions.

Possibility of hazardous

reactions

Will not occur.

Conditions to avoid Imaging Drum: Exposure to light

Incompatible materials Strong oxidizers

Hazardous decomposition

products

Carbon monoxide and carbon dioxide.

11. Toxicological information

Information on likely routes of exposure

Inhalation Under normal conditions of intended use, this material is not expected to be an inhalation hazard.

Skin contactContact with skin may result in mild irritation.Eye contactContact with eyes may result in mild irritation.IngestionIngestion is not a likely route of exposure.

Symptoms Not available.

Acute toxicity

Based on available data, the classification criteria are not met.

Skin irritation and corrosion

Based on available data, the classification criteria are not met.

Serious eye damage/eye

Based on available data, the classification criteria are not met.

irritation

Respiratory or skin sensitization

Respiratory sensitizationBased on available data, the classification criteria are not met. **Skin sensitization**Based on available data, the classification criteria are not met.

Germ cell mutagenicity Negative, does not indicate mutagenic potential (Ames Test: Salmonella typhimurium)

Based on available data, the classification criteria are not met.

CarcinogenicityBased on available data, the classification criteria are not met.Toxic to reproductionBased on available data, the classification criteria are not met.Specific target organ toxicity -Based on available data, the classification criteria are not met.

single exposure

Specific target organ toxicity - repeated exposure

Based on available data, the classification criteria are not met.

Aspiration hazard Based on available data, the classification criteria are not met.

Other information Complete toxicity data are not available for this specific formulation

Refer to Section 2 for potential health effects and Section 4 for first aid measures.

12. Ecological information

Not available.

Mobility in soil Not available.

Other adverse effects

This product has not been tested for ecological effects.

13. Considerations on final disposal

Recommended methods for final destination Residual waste Not available

Contaminated packaging

Local disposal regulations

Not available.

Do not shred toner cartridge, unless dust-explosion prevention measures are taken. Finely dispersed particles may form explosive mixtures in air. Dispose of in compliance with federal, state, and local regulations.

HP's Planet Partners (trademark) supplies recycling program enables simple, convenient recycling of HP original inkjet and LaserJet supplies. For more information and to determine if this service is available in your location, please visit http://www.hp.com/recycle.

14. Transport information

Further information

Not a dangerous good under DOT, IATA, ADR, IMDG, or RID.

15. Regulatory information

Federal regulations

Colombia. Controlled Substances (Resolution No. 009 of 1987 nationally regulating the transport & use of substances in subparag. f) of article 20 of Law 30 of 1986, as amended)

Venezuela. Chemical Precursors (Official Gazette No. 34.741, List I & II)

Not regulated.

International regulations

All chemical substances in this HP product have been notified or are exempt from notification under chemical substances notification laws in the following countries: US (TSCA), EU (EINECS/ELINCS), Switzerland, Canada (DSL/NDSL), Australia, Japan, Philippines, South Korea, New Zealand, and China.

Montreal Protocol

Not applicable.

Stockholm Convention

Not applicable.

Rotterdam Convention

Not applicable.

Kyoto protocol

Not applicable.

Basel Convention

Not applicable.

Not available.

Significant information, yet not specifically related to the

previous sections

16. Other information

Disclaimer

This Safety Data Sheet document is provided without charge to customers of HP. Data is the most current known to HP at the time of preparation of this document and is believed to be accurate. It should not be construed as guaranteeing specific properties of the products as described or suitability for a particular application. This document was prepared to the requirements of the jurisdiction specified in Section 1 above and may not meet regulatory requirements in other countries.

This safety data sheet is meant to convey information about HP inks (toners) provided in HP Original ink (toner) supplies. If our Safety Data Sheet has been provided to you with a refilled, remanufactured, compatible or other non-HP Original supply please be aware that the information contained herein was not meant to convey information about such products and there could be considerable differences from information in this document and the safety information for the product you purchased. Please contact the seller of the refilled, remanufactured or compatible supplies for applicable information, including information on personal protective equipment, exposure risks and safe handling guidance. HP does not accept refilled, remanufactured or compatible supplies in our recycling programs.
