1. Identification

Important information

*** This Safety Data Sheet is only authorised for use by HP for HP Original products. Any unauthorised use of this Safety Data Sheet is strictly prohibited and may result in legal action being taken by HP. ***

Product identifier

HP Color LaserJet CF351A Cyan Print Cartridge

Other means of identification

None.

Recommended use

This product is a cyan toner preparation that is used in HP Color LaserJet Pro MFP M176/ HP Color LaserJet Pro MFP M177 series printers.

Recommended restrictions

None known.

### 4. First-aid measures

#### Inhalation
Move person to fresh air immediately. If irritation persists, consult a physician.

#### Skin contact
Wash affected areas thoroughly with mild soap and water. Get medical attention if irritation develops or persists.

#### Eye contact
Do not rub eyes. Immediately flush with large amounts of clean, warm water (low pressure) for at least 15 minutes or until particles are removed. If irritation persists, consult a physician.

#### Ingestion
Rinse mouth out with water. Drink one to two glasses of water. If symptoms occur, consult a physician.

#### Most important symptoms/effects, acute and delayed
Not available.

### 5. Fire-fighting measures

#### Suitable extinguishing media
CO2, water, or dry chemical

#### Unsuitable extinguishing media
None known.

#### Specific hazards arising from the chemical
Like most organic material in powder form, toner can form explosive dust-air mixtures when finely dispersed in air.

#### Special protective equipment and precautions for firefighters
Not available.

#### Fire fighting equipment/instructions
If fire occurs in the printer, treat as an electrical fire.

#### Specific methods
None established.

### 6. Accidental release measures

#### Personal precautions, protective equipment and emergency procedures
Minimize dust generation and accumulation.

#### Methods and materials for containment and cleaning up
Slowly vacuum or sweep the material into a bag or other sealed container. Clean remainder with a damp cloth or vacuum cleaner. If a vacuum is used, the motor must be rated as dust explosion-proof. Fine powder can form explosive dust-air mixtures. Dispose of in compliance with federal, state, and local regulations.

#### Environmental precautions
Do not flush into surface water or sanitary sewer system. See also section 13 Disposal considerations.

### 7. Handling and storage

#### Precautions for safe handling
Keep out of the reach of children. Avoid inhalation of dust and contact with skin and eyes. Use with adequate ventilation. Keep away from excessive heat, sparks, and open flames.

#### Conditions for safe storage, including any incompatibilities
Keep out of the reach of children. Keep tightly closed and dry. Store at room temperature. Store away from strong oxidizers.

### 8. Exposure controls/personal protection

#### Occupational exposure limits

13. Disposal considerations

Disposal instructions: Do not shred toner cartridge, unless dust-explosion prevention measures are taken. Finely dispersed particles may form explosive mixtures in air. Dispose of in compliance with federal, state, and local regulations.

HP’s Planet Partners (trademark) supplies recycling program enables simple, convenient recycling of HP original inkjet and LaserJet supplies. For more information and to determine if this service is available in your location, please visit http://www.hp.com/recycle.

14. Transport information

Further information: Not a dangerous good under DOT, IATA, ADR, IMDG, or RID.
